PROGRAM HIGHLIGHTS

Students are grouped by age and Japanese level, creating a welcoming environment where they can learn, make friends, and connect with Japanese students their own age. Japanese lessons are conducted entirely in Japanese, while English support is available during activities, trips, and for everyday needs. 24-hour emergency assistance provides added peace of mind throughout the program.

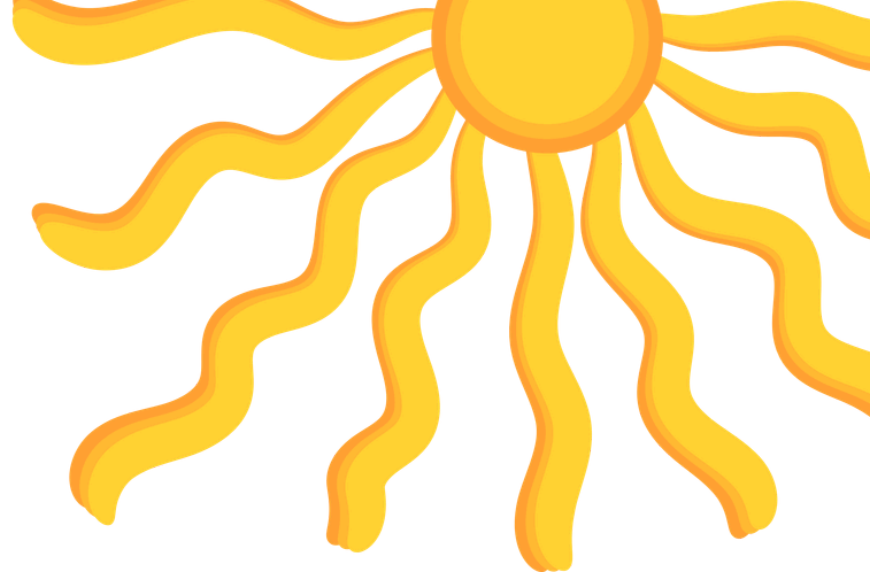

HOMESTAYS

The program includes accommodation with a carefully selected Japanese host family, with breakfast and dinner provided. Host families are selected based on the information provided in each student's self-introduction form, with care taken to ensure a safe and suitable match. Commute times from host families' homes to the school vary. The average door-to-door commute is approximately 45 minutes, and is generally no more than one hour. Each student has a private room equipped with bedding, a study desk, and air conditioning. Our host families are welcoming and responsible, and genuinely enjoy hosting international students. The homestay experience is one of the aspects of the program that consistently receives particularly positive feedback from students.

SUPERVISED RESIDENCE

Stay in a comfortable supervised residence with meals included, except on Sundays. Places are limited and allocated on a first-come, first-served basis. If unavailable, a Japanese homestay will be arranged at no additional cost.

PROGRAM HIGHLIGHTS

AIRPORT PICK-UP

A representative will greet the student at the airport and take them safely to their accommodation. We can also coordinate with Unaccompanied Minor Services provided by airlines, ensuring a smooth, worry-free arrival.

24/7 EMERGENCY CONTACT

We offer 24/7 support via phone, email and whatsapp for any emergency. Whether it's day or night, students can reach us anytime for quick assistance, providing peace of mind to both students and parents.
