Full Cultural Immersion

A one-of-a-kind cultural exchange experience, unique to GenkiJACS in Japan.

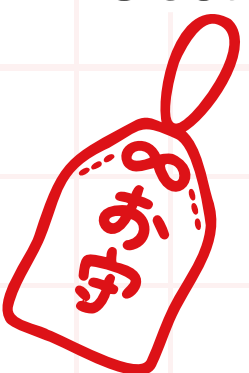

Experience cultural exchange with Japanese students from Daiichi Gakuin High school...

through combined lessons, activities, and shared experiences!

Learn Japanese Through Real-Life Interaction

GenkiJACS Kyoto shares the same building as Daiichi Gakuin High School, which gives our students more opportunities to meet and interact with Japanese high school students. PROGRAM HIGHLIGHTS

A SAFE AND ACCESSIBLE CITY

Japan is one of the safest countries in the world, and Kyoto is no exception. The city is compact and easy to navigate, while still offering everything students need for a comfortable stay. Kyoto's reliable public transportation allows young students to travel safely and conveniently between school, their accommodation, and the city's many attractions, giving students and parents both peace of mind.

A TRULY UNIQUE HIGH SCHOOL EXCHANGE

GenkiJACS Kyoto shares its building with a Japanese high school, a unique learning environment rarely found elsewhere in Japan! Students can regularly meet and interact with Japanese teenagers their own age, practise real Japanese, and build friendships without even leaving the building.

FRIENDLY, SAFE SCHOOL STAFF

Our friendly and experienced teachers and staff create a positive atmosphere at school. They are always available to guide students, ensuring a safe and enriching learning experience in Japan.

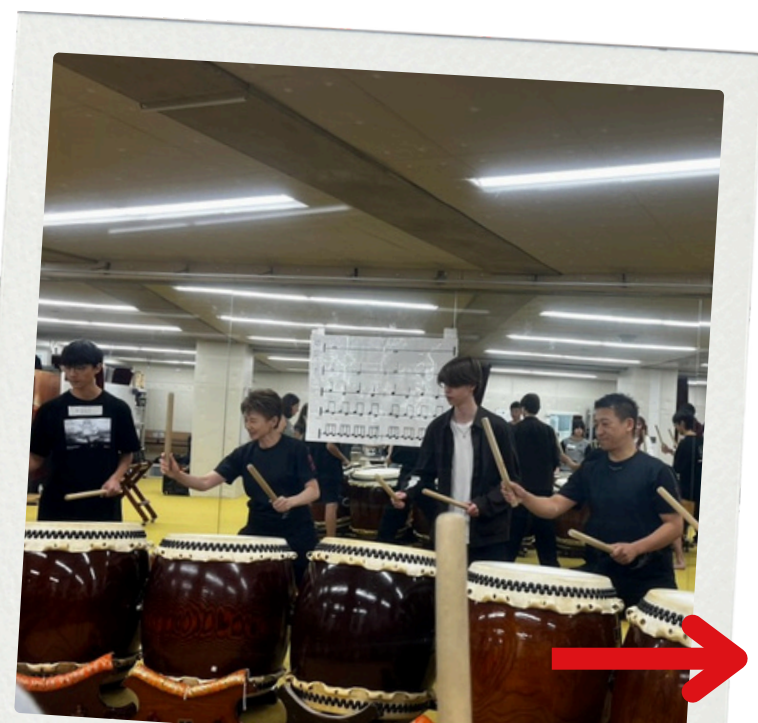

Voices of Past Genki Students

Thank you very much for this amazing experience! Amelia and I definitely want to come back; we've both said so even though Amelia is not done yet.

Thank you for the great times and experiences!

My friends, my teachers, everything was beautiful.

I loved the people and friends I made, along with the teachers too, like Keigo.
